FROM THE SECRETARY DESK…

It gives much pleasure when I share our development activities and achievements in the year 2019-2020 with you, during this year; we have more concentrated on women, children primitive tribes, farmer, environmental awareness and general. This annual report explains our achievement and activities to some extent. At this juncture, I express my sincere thanking to all our well-wishers and supporters. I also extent my heartfelt thanking to our staff members who have foot their selfless services without their active it was not possible to obtain results. I hope this report will facilitate in sharing of our experience and learnt who are providing care and support services to the downtrodden community

I am glad to state that SAHAYOGI MAHILA has stood firm in its commitment towards attaining its objectives. It has been an eventful year during which the Society has undertaken a number of steps towards alleviating the sufferings of the needy low income people. Our interventions covers, livelihood, Nutrition, Woman Empowerment, Income, Trainings on Income Generation Activities, Water Shed Development, Provides livelihood support and guidance to Tribal people, Awareness of social issues, build leadership qualities among the community people, fight for the rights and entitlements for the underprivileged. Self Help Groups formation Program We continues to promote, nurture and capacitate a number of SHGs are formed with the objective of empowering local communities which will be enable them to take decisions concerning their own economic development. The groups are trained on planning, book keeping, financial management and conflict management. Regular trainings and exposure visits to other SHG initiatives are undertaken to encourage self-reliance and sustainability.

Encourage community people to play active roles in shaping their future and influence the people around them to break the cycle of poverty. Elimination of poverty is a herculean task and this can only be possible when each and every person with means contribute their bit towards the emancipation of impoverished humans.

Finally, on behalf of the society I would like to thank all our donors and supporters for their continuing support. A special thanks to all my colleagues for their absolute commitment. They are the real strength of SAHAYOGI MAHILA. I am proud to associate with them. I hope that you will enjoy reading this report. I invite suggestions and critique for our work so as to further strengthen our organization. We will appreciate your feedback.

Jawahar Lal Mahato

Secretary

WOMEN SELF HELP GROUP (WSHG)

Formation of Women Self Help Group (WSHG) is a revolutionary event in point of view of Indian Context. It has brought holistic change in women socio-economic status. It has totally changed of women thought and their standard of living.

Sahayogi Mahila has left its importance as women empowerment from organization's inception and since we have been focusing on WSHG. During our journey, NABARD has been our main partner and supporter to form WSHG and their social and economic empowerment. We have been working in Seraikela-Kharsawan, East Singhbhum and West Singhbhum district of Jharkhand.

The main objectives of the WSHG are..

1) Women empowerment through WSHG
2) Formation of WSHG
3) Monthly saving and Bank Linkage
4) Provide training and orientation on income generating activities
5) Encourage regular saving and mutual transaction
6) Economically Self Sustainability

Till March 2020 total 2000 WSHG has been formed and linked with banks. Total Rs. 12,05,27000 (Twelve Crore Five lakh Twenty Seven thousand) Amount were distributed among 1667 WSHGs.

SHGs sell green vegetables and grow their incomes.

Nursery:

A Nursery Unit is running by the organization, in which various type of plants are prepared through modern technique. These plants are sold to the villagers and other organizations. Besides these, Organization uses it in his project. Every year, organization plants in large area of villages for social welfare work. This nursery is also being used in training purposes and farmers from remote village visit here for learning.

Farming:

Farming is the good source of Income. The organization has a land bank which is used for farming. Vegetable and Paddy crop are grown there whole year. The yield is used by the Mess which runs by the organization. We don't need to purchase vegetable and rice from the market. This way we save some money every year. Besides our field and modern technique of agriculture is the center of learning.
